

Kohala Zipline is looking for candidates with experience working in the zipline, ropes course, rappelling, or arborist industry to help operate and maintain our NEW zipline course that will be launching this summer! This position will be a combination of maintaining course elements, conducting safety inspections, and guiding tours. Our family-owned and operated company welcomes everyone. Learn about plants, the history of Kohala, and Hawaiian culture. Gain customer service experience, technical skills, and growth opportunities. Fly through the trees, meet people from around the world, and love what you do everyday!

Visit us at our headquarters in Hawi or in Kona at Hawaii Forest & Trail, Monday through Friday 8am to 4pm or apply here.

Applicants should have experience working at height, preferably on ropes. Previous experience guiding, ziplining, and course maintenance/inspection are required. Applicants from outside Hawaii are welcome to apply, please ask about help relocating!

Requirements

- Authorized to work in the US
- Team-work and customer-service oriented
- Positive attitude and excellent communication skills
- Able to work safely up to 100 ft off the ground in all weather conditions
- Able to learn and perform rescue techniques at height
- Ability to arrive at work on time consistently
- MUST attend and pass week-long guide training
- Experience working in a harness with tools at height
- Must have a valid Drivers license and clean abstract
- Complete CPR/First Aid Certification
