USA Today 10Best Ranks Hawaii Forest & Trail in the Best Tour Companies in Hawaii

Kona, Hawaii (July 12, 2019) – Hawaii Forest & Trail took the number two spot in the 2019 USA Today 10Best Readers' Choice travel award for the Best Tour Company in Hawaii.

The well-known national newspaper's expert travel panel choose twenty nominees and gave readers four weeks to vote for the candidate of their choice. After a busy month of voting, Hawaii Forest & Trail stands proudly in the number two spot among other Hawaii tour companies.

What's the winning formula? Husband and wife duo Rob and Cindy Pacheco built Hawaii Forest & Trail over twenty-five years ago on a foundation of knowledgeable, professional and well-qualified guides who shares the splendor of Hawai'i together with deep connection with the natural world. Since then, a handpicked cadre of guides with strong academic backgrounds in biology, geology, Hawaiian culture and history, and extensive natural history field experience now set the standard. Whether hiking waterfalls, exploring volcanoes or encountering the rarest plant and bird species on earth, Hawaii Forest & Trail connects people to the wondrous place we call Hawaii.

Just last year, Hawaii Forest & Trail launched three never-before-offered custom outdoor adventures on Oahu. Travelers to the island of Oahu also have the opportunity to forge personal connections with nature – Hawaii Forest & Trail style.

'We are certainly honored to be among some of Hawaii's best tour companies. The number two spot feels pretty great,' said Rob Pacheco, Hawaii Forest & Trail Founder and President. "All of us here at Hawaii Forest & Trail work hard to bring the very best experience to our guests. This recognition awards our team's dedication."

About Hawaii Forest & Trail Hawaii Forest & Trail celebrates over twenty-five years of exploring Hawaii. The company's mission is to deliver guests an excellent, safe and fun learning experience, to support island communities and resources through philanthropy, sustainable business practices and a conservation ethic, and to provide a healthy, profitable, and rewarding environment for their company 'ohana. On each and every one of their adventures, Hawaii Forest & Trail shares the splendor of Hawai'i as part of their vision to inspire a deep connection with our natural world.
